PROFESSIONAL BIO

Amazon #1 Best Selling Author • NCAA Athlete • Corporate Trail Blazer

Samantha Card is the Athlete Advantage! A former NCAA Division 1 softball player, MBA graduate, Fortune 100 company trail blazer and “level up” expert, epitomizes the athlete who has “hit it out of the park” when she transitioned from her sports career.

Samantha passionately crystallized her abilities, curated her knowledge, capitalized her assets and catapulted her athletic career finale into a mega corporate and life success.

She accomplished all this before the age of 33. Committed to excellence and legacy creation, she passionately shares her decisive strategies and winner mindset with other professional athletes who face the toughest question in their lives. “What do I do after game day is over?”

Samantha, once referred to as “Sammi from Miami”, is on a global mission to teach athletes how to develop a proactive championship routine from Day 1 that can be leveraged beyond game day. She prepares you to win in all aspects of life by identifying opportunities, taking action, and applying the life tools gained in competitive sports to business success.

The Athlete Advantage, Success Beyond Game Day™, Sam's newly released book, skyrocketed to Amazon #1 Best Seller in a matter of minutes, attaining this prestigious status in several categories including sports psychology, women in sports, softball and reference.
